Welcome back, we've missed you!

Due to this unprecedented situation we have all found ourselves in these last few months, you will see we have had to make some changes to our offerings. This is mainly due to providing a safe work environment for our team and a comfortable and safe dining experience for you, our guests.

Requests we ask of you - On arrival please use our general 'Sanitiser Station' and at the end of your meal, please drop off your used napkin in the laundry bin, located at the exit door and to follow any directions written in our 'Five Step Plan'.

See our 'Five Step Plan' to find out what we're doing to help contain and fight back against this terrible virus.

Please be assured that we will endeavour to return back to our full offerings as soon as we can.

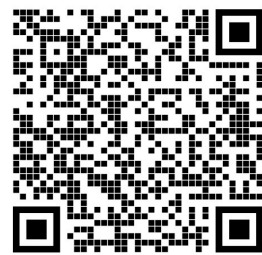

Thank you to everyone who has given their support so far and from our family to yours, we send you our love and appreciation.

Wishing you all the best,
Shambles Team
